Subject:

VENDOR MANAGEMENT POLICY MEMO FY 2010-3.

Mead Johnson Nutrition: Changes to the labeling of Gentlease, Enfamil AR;

Enfagrow Premium; Enfagrow Soy; and Enfagrow Gentlease

Beginning in early February 2010 and continuing for the next two to three months, Mead Johnson Nutrition will begin a transition period in which the labeling of the following products will be changing

Current Product Name

Changing to: New Product Name

Gentlease LIPIL®
Enfamil A.R. LIPIL®
Enfagrow Premium Next Step LIPIL®
Enfagrow Soy Next Step LIPIL®
Enfagrow Gentlease Next Step LIPIL®

Gentlease
Enfamil A.R.
Enfagrow Premium
Enfagrow Soy
Enfagrow Gentlease

Because of the transition period for these infant formula products in the retail system and the inventory the retailer may have, either the current product name or the new product name as listed above can be purchased with Utah WIC food instruments. The WIC food instrument may contain either the current product name or the new product name. During this transition period, please allow the current product name or the new product name to be purchased with the Utah WIC food instruments

For example, the food instrument indicates GENTLEASE LIPIL, the WIC client can purchase either "Gentlease Lipil" or "Gentlease." If the food instrument reads ENFAGROW SOY, the WIC client can purchase either "Enfagrow Soy Next Step LIPIL" or "Enfagrow Soy."

This letter is to notify you of several product changes/additions that will take place over the next few months for the infant formula products listed below.

Gentlease[®] LIPIL[®]

NEW - We are launching a new 2 oz ready-to-use Gentlease Nursette[®] product. This product will begin shipping early February. Attached for your reference is a spec sheet which includes wholesale pricing, unit specifications and UPC codes.

CHANGES - The product name will no longer include the word LIPIL, and a new duck character will replace the Peter Rabbit™ bunny on the front label panel for all forms of Gentlease. The indication for use will now be listed directly under the product name. The formulation, UPC code and reconstituted ounces will not be changing. We recommend that your vouchers read either "Enfamil Gentlease" or just "Gentlease" after the transition occurs at retail shelves. This product will begin shipping in April. Depending on retailer inventory levels, it should start appearing on retail store shelves sometime in early to mid May.

Enfamil A.R. LIPIL

The product name will no longer include the word LIPIL, and a new duck character will replace the Peter Rabbit bunny on the front label panel for all forms of Enfamil A.R. The indication for use will now be listed directly under the product name. The formulation, UPC code and reconstituted ounces will not be changing. We recommend that your vouchers read "Enfamil A.R." after the transition occurs at retail shelves. This product will begin shipping in April. Depending on retailer inventory levels, it should start appearing on retail store shelves sometime in early to mid May.

ProSobee® LIPIL

Beginning with shipments in April, the label will reflect slight design changes as well as minor updates to the nutrient panel and ingredients. Depending on retailer inventory levels, this product should start appearing on retail store shelves sometime in early to mid May. The UPC code and reconstituted ounces will not be changing. A label reflecting these changes is attached for your reference. The word LIPIL will remain on the label for

now. We will notify you of when LIPIL will be removed and the duck will be added when a firm date is determined.

Enfagrow™ Premium™ Next Step® LIPIL, Enfagrow Soy Next Step LIPIL and Enfagrow Gentlease Next Step LIPIL

The product names will no longer include the words Next Step LIPIL and a new duck character will replace the Peter Rabbit bunny on the front label panel for all forms of the Enfagrow products. The formulation, UPC code and reconstituted ounces will not be changing. The newly labeled products will begin shipping in April. Depending on retailer inventory levels, they should start appearing on retail store shelves sometime in early to mid May.

We will soon be forwarding a reference sheet that shows the current and new versions of the front label panel for the products mentioned above.

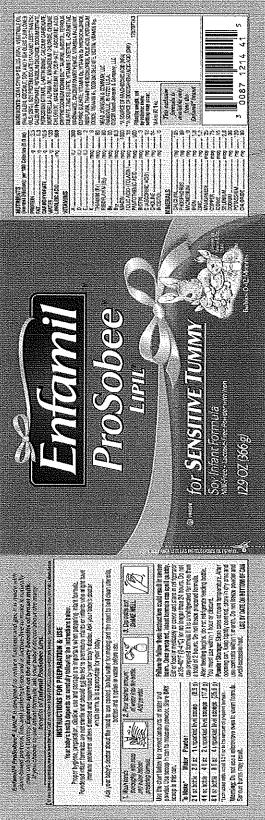

We apologize for any inconvenience these changes may have caused. If you have any questions, please contact your Mead Johnson contract administrator — Cheryl Cook at (812) 429-5789, Kathy Decker at (812) 429-8758 or Chris Shouse at (812) 429-8613.

Best regards,
